Respected Dhananjay Sinha sir,

This is to inform you that we have initiated the process to constitute the School Level Fee Regulation Committee (SLFRC) for academic session 2026-27, as per the instructions and direction issued by the Directorate of Education, Private School Branch, Government of National Capital Territory of Delhi, vide order dated 30.06.2026.

We are taking steps to conduct the SLFRC in accordance with the Delhi School Education (Transparency in fixation and Regulation of fees) Act, 2025, and the rules thereof.

We will ensure that the constitution of SLFRC and its functioning are carried out transparently and in compliance with the prescribed guidelines and timelines.

Please be ensured of our commitment to complete the process and submit the required reports as directed. Please arrange an observer for our school as soon as possible for smooth work. We have sent information to the parents already and the tentative date for the meeting would be 14th July 2026 at 10:00 AM.
